

SHANNON GLUTTING

shannon@leftydesigner.com
www.leftydesigner.com

I'm a southpaw designer who enjoys both print and web design. My experience ranges from corporate branding and print marketing to interactive design and writing CSS.

EXPERIENCE

Local Government Federal Credit Union / Raleigh, NC / June 2006 - present

Web Designer

Designs corporate Web sites, email marketing initiatives and other electronic media from storyboarding through the finished product. Also responsible for researching and promoting the use of new applications and technologies among the credit union staff and membership.

Graphic Designer

Responsible for print collateral design including corporate and sub-project branding, ad campaigns, annual reports, and the LGFCU monthly magazine "aim." Also collaborated with the web marketing team to design and build company micro-sites.

Chemtek, Inc. / Durham, NC / August 2005 - May 2006

Graphic and Web Designer

Redesigned and updated promotional materials including logos, web sites, product brochures, technical sheets, and tradeshow graphics.

Great Lakes Commission / Ann Arbor, MI / May 2003 - May 2005

Web and Publications Designer

Developed attractive and effective designs for Commission publications, educational/promotional materials and web sites.

FREELANCE CLIENTS

Software Engineering Specialists, Inc. / Ninth Street Dance / Footnotes Tap Ensemble
